WORKSHOP DESCRIPTIONS

1. Local Executive Training: → *October 2-5*

Leadership Essentials for Executive Members

Who am I as a leader? Who are we as a local union? How do we fit into the broader movement? Learn how to use the power of your elected position to build power in the union, create space for more members to get involved, and strengthen solidarity in the labour movement and in our communities.

Leading as a Team

In this workshop, executive teams explore power and responsibility that comes with it, how we work in teams and how to balance our leadership styles to engage the membership and work effectively across diversity.

Parliamentary Procedure

This workshop is about following rules of order when chairing union meetings. Learn about the role of the chair and the different elements (motions, amendments, points of order, etc.). Get a change to put the learning into practice.

2. Steward Learning Series → *October 2 – 5*

Disability Issues for Stewards

There are workers with disabilities in every workplace. Learn about different kinds of disabilities and what you can do as stewards to create accessible workplaces.

What's Our Duty

Learn about where stewards get their authority in the workplace, the duty of fair representation, and other labour laws that cover the workplace.

Mobilizing Workers

Stewards can play a key role when the union needs to mobilize its members. Learn basic mobilization theory and practice new skills by working with current CUPE campaigns.

Mediating Member to Member Conflict

In this module, stewards practice coaching members who are in conflict with other members, and work with a four-step approach to basic mediation techniques.

OCTOBER 2 – 5, 2018

9:00 AM – 4:00 PM

Notetaking

Why do I have to take notes? What kind of notes should I take? Are my notes private? This module answers important questions like these and provides practice time to work on notetaking skills.

Popular Economics for Stewards

We keep hearing that the rich are getting richer and the poor are getting poorer. How do these trends impact our lives as workers and union members? What is needed from us as stewards in these times of growing economic inequality?

Prerequisites for Steward Learning Series:

**“Introduction to Stewarding” workshop
and some practical experience as a steward.**

***Please bring your Collective Agreement,
Stewards Handbook and Steward Learning Passport.***

3. Violence Prevention: → *October 4-5*

This module examines the risk factors that lead to violence in the workplace, and the employer’s obligations to prevent workers from being exposed to and injured by violence while at work. We examine relevant health and safety law, and start to develop strategies to make our workplaces safer.

4. Conflict Resolution: → *October 4-5*

Conflict is a natural part of our lives. Learning to handle it well improves relationships with other members, co-workers and the employer.

In this workshop, you will:

- deepen your understanding of conflict;
- strengthen your communication skills;
- practice responding to conflict.
