Through interactive stations, original First Nations artwork, video, audio and live engagement, Our Living Languages provides visitors with the opportunity to learn more about the history of disrupted languages in BC, the complexity of these languages, and the people – and entire communities – that are working tirelessly to document and revitalize them.

Join us to explore the different, interactive parts of this exhibit and enjoy refreshments and bannock. Family Day crafts and games will also be available.

This interactive exhibit is produced by the Royal BC Museum in partnership with the First Peoples' Cultural Council.
