## ARTICLE 13 - DISCHARGE, SUSPENSION AND DISCIPLINE

### 13.01 Discipline Procedure

With the exception of verbal warnings, an employee being disciplined shall be notified in writing by the Employer, with full disclosure of the reasons, grounds for action, and/or penalty, with a copy to the Secretary of the Union.

### 13.02 Crossing of Picket Lines During Strike

All employees covered by this Agreement shall have the right to refuse to cross a legal picket line arising out of a dispute as defined by the Labour Relations Code. Any employee failing to report for duty or refusing to cross a picket line shall not be subject to discipline and shall be considered absent without pay.

The Union agrees that it will not cause, authorize or sanction a strike as defined by the Labour Relations Code, which includes slowdowns, work stoppage or the curtailment of work or services, and the Employer agrees that it will not cause, authorize or sanction a lock-out as defined by the Labour Relations Code, during the term of the Collective Agreement.

### 13.03 Right to have Steward Present

An employee shall have the right to have his/her Steward present at any discussion with supervisory personnel which the employee believes might be the basis of disciplinary action. Where a supervisor intends to interview an employee for disciplinary purposes, the supervisor shall so notify the employee in advance of the purpose of the interview in order that the employee may contact his/her Steward to be present at the interview.

A Steward or Local Union officer shall have the right to consult with a CUPE Staff Representative and to have him/her present at any discussion with supervisory personnel which might be the basis of disciplinary action.

### 13.04 Personnel Records

Employees shall be permitted access to their personnel files at a time mutually agreed upon between the employee and the employee's supervisor.

Any disagreement as to the accuracy of information contained in the file may be subject to the grievance procedure.

No evidence from the employee's record may be introduced as evidence in any hearing, of which the employee was not aware at the time of filing.

An employee shall have the right to make copies of any material contained in his/her personnel record.

13.05 Removal of Material

Employees shall be permitted access to their personnel files at a time mutually agreed upon between the employee and the employee's supervisor. Upon the request of an employee, material of an adverse or disciplinary nature shall be removed from the employee's own personnel file after twenty-four (24) months providing there has been no material of a similar nature added during that period.

Employee evaluation results are exempt from this Article unless successfully grieved by the employee.

ARTICLE 14 - SENIORITY

14.01 Seniority Defined

Seniority is defined as the length of service in the bargaining unit and shall be accrued based on the date of hire, with the exception of "Part-time", "Casual" and "Limited Duration" employee(s), who will accrue seniority as per Article 1.02.

Seniority will be recognized and converted to a date of hire as defined in Article 1.02 (b) and (c), based on the hours worked as a casual employee, or a part-time employee working less than 26 hours of work. Seniority shall be considered in determining preference or priority for promotion, transfer, demotion, layoff, permanent reduction of the workforce, and recall, as set out in other provisions of this Agreement. Seniority shall operate on a bargaining-unit-wide basis.

Seniority for part-time and casual employees hired prior to October 13, 2016 (ratification of the new agreement) shall be recognized from the date of hire.

14.02 Seniority List

The Employer shall maintain a seniority list showing the current classification and the date upon which each employee's service commences. Where two or more employees commence work on the same

day, preference shall be in accordance with the date of application. A new list shall be posted every three (3) months.

#### 14.03 Probation for Newly-Hired Employees

Regular full-time and regular part-time employees shall be on a probationary period for the first ninety (90) calendar days of employment. The probationary period of regular full-time and regular part-time employees may be extended by mutual agreement between the Employer and the Union.

Part-time and casual employees shall be on a probationary period for their first nine hundred and ten (910) hours of work, or until six (6) months expire from the date of hire, whichever comes first. In no case shall a probationary period be less than six (6) months.

During the probationary period the employee shall be entitled to all rights of this Agreement, unless specifically exempted elsewhere herein. An employee will not accrue seniority until after completion of the probationary period, and then seniority shall be effective from the original date of hire for Regular Full Time and Regular Part Time employees. Date of hire shall be defined as the first day of work.

Employees that have not fully completed their probationary period can apply for other positions but the City is not obligated to award them the position until they establish seniority.

#### 14.04 Loss of Seniority

An employee shall not lose seniority if he/she is absent from work because of sickness, accident, disability, layoff or leave approved by the Employer.

An employee shall lose his/her seniority only in the event:

- (1) He/she is discharged for just cause and is not reinstated;
- (2) He/she terminates his/her employment;
- (3) He/she is on layoff for more than two (2) years;
- (4) He/she is absent from work for three (3) or more days without notifying the Employer, unless extraordinary circumstances prevented such notification.

- (5) He/she rejects two (2) opportunities for recall under Article 16.04.
- (6) A casual employee has not worked for the City for more than one (1) year.

#### 14.05 Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without his consent. If an employee accepts a position outside the bargaining unit, he shall retain his seniority acquired at the date of leaving the unit for a period of twelve months. If such an employee later returns to the bargaining unit after a period of twelve (12) months has elapsed, his seniority will recommence from zero. Should an employee return to the unit before twelve (12) months has elapsed, such return shall not result in the layoff or bumping of an employee holding greater seniority.

### ARTICLE 15 - PROMOTIONS AND STAFF CHANGES

#### 15.01 Job Postings

When a new position is created or when a vacancy of a permanent nature occurs inside the bargaining unit, the Employer shall post notice of the position on the Arts and Recreation Centre staff room bulletin board and the staff room bulletin board for a minimum of seven (7) calendar days, so that all members will know about the vacancy or new position. Vacancies shall be posted as soon as reasonably possible.

#### 15.02 Information in Postings

Such notice shall contain the following information: nature of position, qualifications, required knowledge and education, skills, normal hours of work, wage or salary rate or range. Such qualifications and requirements shall be those necessary to perform the job function and may not be established in an arbitrary or discriminatory manner. All job postings shall state: "The City of Quesnel is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees."

#### 15.03 Role of Seniority in Promotions and Staff Changes

Both parties recognize the principle of promotion within the service of the Employer, and that job opportunity should increase in proportion to length of service.

In matters concerning the promotion of employees, or staff changes, appointment will be made of the employee having the required qualifications and ability and the greatest seniority for the position. Appointments shall be made and filled within thirty (30) days of posting.

15.04 Advertising

When a vacancy occurs, the position may be advertised internally and externally concurrently. Bargaining Unit members with seniority that apply shall be given first opportunity to fill the vacant position prior to any review of external applications.

15.05 Trial Period

The successful applicant shall be given a trial period of forty-five (45) calendar days. Condition on satisfactory service, the employee shall be declared permanent upon the expiration of the trial period. In the event that the successful applicant proves unsatisfactory for the position during the trial period, or if he/she is unable or unwilling to continue to perform the duties, he/she will be returned to his/her former position without loss of seniority. Any employee promoted or transferred because of the rearrangement of positions shall also be returned without loss of seniority.

15.06 Notification to Employee and Union

Within seven (7) calendar days of the date of appointment to a vacant position, each applicant shall be advised of the result of the competition. Unsuccessful applicants shall be entitled to discuss the matter upon request.

15.07 Filling of Vacancies on a Temporary Basis

A temporary vacancy shall be defined as a temporary vacancy period of more than forty-five (45) calendar days in duration. Date may be extended by mutual agreement. Temporary vacancies may be posted sooner for operational purposes, as determined by the employer.

If a regular employee fills the temporary position, any associated vacancies created as a result do not require a job posting. The associated vacancy will be filled by seniority and qualifications from within the bargaining unit. If there is no employee who is qualified or willing to fill the vacancy, the Employer may fill the vacancy with a casual employee.

Upon completion of the temporary vacancy period, all employees shall be returned to their former position(s) held prior. The aforementioned process will apply in filling non-posting vacancies of less than forty-five (45) days.

If a regular employee fills the temporary position and is unable to complete the term they must provide two (2) weeks' notice to their immediate supervisor.

Externally hired temporary employees will be paid out upon termination of their appointment and will not have internal bidding rights for the duration of the temporary appointment. If the temporary employee should successfully bid into a position through the external competition process during term of appointment or within thirty (30) days following termination of employment he can retain previously accrued seniority.

Effective for external hires on or after June 8, 2016.

## ARTICLE 16 - LAYOFFS AND RECALLS

### 16.01 Definition of Layoff

A layoff shall be defined as a reduction in the work force or a reduction in the regular hours of work as defined in this Agreement. The Union recognizes that the economic situation or degree of public participation may require layoffs from time to time. The Union also recognizes that the facility may be closed all or in part for a period not to exceed one (1) month per annum. Only staff required for maintenance purposes and other services that continue through this period will be called in to work.

### 16.02 Role of Seniority in Layoffs

Both parties recognize that job security shall increase in proportion to the length of service. Therefore, in the event of a layoff, the employees shall be laid off in the reverse order of their seniority within each department and may exercise their right to bump any employee within the Bargaining Unit with less seniority provided the senior employee is qualified to perform the available work.

A regular part-time, part-time, or casual employee cannot exercise their right to bump into a regular full-time position.

Departments shall be defined as: Aquatics, Maintenance, Recreation (includes Fitness), Administration and Arts (includes Pre-School).

16.03 Recall Procedure

Employees on layoff shall be recalled in the order of their seniority, providing they are qualified to perform the work available.

16.04 Hiring and Recall

New employees shall not be hired until those laid off employees with seniority have been given an opportunity of recall.

If an employee is recalled to work, either from layoff status or the recall list, and the employee refuses, Article 14.04 (5) will be effective from the date the employee was recalled to work.

16.05 Advance Notice of Layoff

Unless legislation is more favourable to employees, the Employer shall notify all regular full-time and regular part-time employees who are to be laid off thirty (30) days prior to the effective date of the layoff, or award pay in lieu thereof.

The Employer shall notify all part-time employees who are to be laid off fifteen (15) days prior to the effective date of the layoff, or award pay in lieu thereof.

16.06 Grievance on Layoffs and Recalls

Grievances concerning layoffs and recalls shall be handled by the grievance procedure, commencing at Step 3.

Where mutual agreement is reached, overtime rates will not apply until the normal weekly hours or the mutually agreed daily hours are exceeded.

(f) Definition of A Day

Both Parties agree that for the purposes of interpreting the current collective agreement sections listed below, the definition of a "Day" will be based on hours of work as outlined in Articles 17.01(a)(b)(c)(d). This definition will apply, regardless of the shift pattern that an employee may work (e.g. 10 or 12 hour shift pattern) for Article 21 – Vacation Entitlement. **Effective January 1, 2021.**

17.02 Reporting Pay Guarantee

An employee reporting for work on his/her regular schedule of work shall be paid his/her regular rate of pay for the entire period of work, with a minimum of two (2) hours pay.

Regular part-time and part-time employees shall not work in excess of the hours of work outlined in Article 17.01, and shall be entitled to a minimum of two (2) consecutive days off in each seven (7) day rotation unless otherwise mutually agreed between the employee and the Employer. Employees who

wish to waive their entitlement to two (2) consecutive days off in a seven (7) day rotation shall complete and sign a copy of a waiver form to be supplied by the Employer. The Employer agrees to provide to the Union copies of all waiver forms received.

At any time after signing the waiver form an employee can provide to the Employer in writing his/her intention to retract the waiver form. The employee must however provide a minimum of fourteen (14) days notice of his/her intention to retract the waiver form in order to provide continuity to program staffing.

17.04 Call-In, Extra Hours

The Employer shall maintain an up-to-date seniority list by job classification for the purpose of calling employees for extra hours such as sick leave coverage. Therefore, in the event of call-in, qualified regular part-time employees shall be called in first in order of department seniority. They shall be followed by qualified part-time employees in order of department seniority, then by qualified casual employees in order of department seniority. If no part time or casual employees are available within the department, all qualified full time in the department shall be asked. If none are available, then qualified part time or casual employees within the general bargaining unit may be offered the work on a seniority basis.

Departments shall be defined as: Aquatics, Maintenance, Recreation (includes Fitness), Administration and Arts (includes Pre-School).

17.05 Shift Trade Process

If an employee wishes to trade a shift with another employee of the same classification, they will complete a shift change form and submit the form to their supervisor at least five (5) calendar days in advance of the schedule change. Approval will be made by the Union Supervisor and the Recreation Manager or their designate.

Shift trading will not result in any overtime or double time for either employee. Approval for shift trades will not be granted if there is impact to:

- Coverage of job responsibilities
- Any programs
- Progress cards

LETTER OF AGREEMENT NO. 1

Re: Contracting out, Public-Private Partnerships

The parties agree with the principle that wherever possible and practical, work and services currently being performed by regular full-time and regular part-time employees, shall continue to be performed by bargaining unit employees, and that where the relative cost of providing such services is demonstrated to be the same or less than an outside contractor, such work required shall be done by bargaining unit personnel.

- No regular full-time or regular part-time employees shall be laid off from employment as a result of work being contracted out by the City of Quesnel.
- It is understood that contracting out can take place to provide services to the community where the Employer has utilized City-owned equipment and operators to the fullest extent possible. Private equipment will not be hired when the regular full-time and regular part-time employees (including employees on layoff) and the City equipment, are available to perform the work required by the Employer

- Definition of "available":

If an employee is offered the work, and accepts, whether it is considered as regular time, or overtime, they shall be deemed to be considered "available" for the purposes of this Letter of Understanding.

LETTER OF AGREEMENT NO. 2

Re: Job Security and Operational Flexibility

It is the City’s intention with the various boundary expansions and growth of the City, to provide operations, which are cost effective, and of value to the taxpayer. As a result, certain program services provided to the public may require hours of work, which are not identified in the Collective Agreement.

It is the Union’s intention to provide job security for their members to continue to perform the work that is being provided by the City today. Also, to be a successor to any new services which the City may consider providing.

The Union and the City agree to enter into a joint partnership to discuss any services that may result from the growth of the City, or reductions of provincial or regional grants or funding, or any new services which the City may consider providing.

Both parties acknowledge that in order for the City to consider providing services to these new areas, or add to any existing services, the Union and the City will need to discuss and amend the Collective Agreement. The principles of the discussions would be to maximize the operational flexibility so that any additional services, which are being considered by the City, could be implemented in the most cost effective manner while maintaining the job security concerns of the Union.

Either party can activate discussions relating to this Letter of Understanding through Labour Management meetings. Amendments to the Collective Agreement that are mutually agreed to by the parties would be implemented and administered through a Letter of Agreement(s).

CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 1050-01**

Both parties agree to the following terms under the new Living Wage Policy for the City of Quesnel, effective November 1, 2016.

**HOURLY WAGE RATE**

1. The parties agree to the following principles:
  - a. The Employer is subject to the Living Wage Employer Program (the "Program").
  - b. The Program's Living Wage rate is a wage floor, not a wage target.
  - c. In the event that the Program's Living Wage rate for the current year exceeds an employee's Total Compensation Rate for that year, the employee's Hourly Wage Rate will be adjusted upwards to eliminate this differential.
  - d. "Total Compensation Rate" includes the hourly rate and benefits paid.
  - e. Wage adjustments required under subsection (c) will be implemented on an employee-by-employee basis; the Wage Schedule will not be adjusted.
  
2. The parties agree to the following process:
  - a. Each year, the parties will meet within 30 days of the recalculation of the Program's Living Wage, to discuss and agree on any impacts of the recalculation considering the principles outlined in section 1.
  - b. Wage adjustments required under subsection 1(c) will be implemented by the Employer during the final pay period in June of each year.

The following positions are exempted from the Program

- a. Student Lead Programs (E.g. Summer Sun Fun Program)
- b. Diversification Program

There is no intent to reduce wages as a result of the implementation of this policy.

RE: ARTICLE 17.01 – NORMAL WORKING TIME

The parties are committed to the possible implementation of a four (4) day work week for various positions at the Quesnel & District Arts & Recreation Centre. The parties agree that such discussion shall take place between the parties as quickly as possible.

The parties agree that the principles guiding the four (4) day work week shall be that no added cost or coverage shall occur for the Employer, and no loss of salary or benefits shall occur for the employee(s).

When implementing a four (4) day work week, it is recognized that programming and service delivery to the public are to be considered as relevant factors.

The parties agree to develop a working model to determine if the principles can be met. In the event the model can be developed, a six (6) month trial period would be implemented to determine the effectiveness of the new shift schedule.

CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 1050-01

Both parties agree to the following terms regarding layoff, recalls and bumping during covid-19 shutdown:

As the facility continues to reopen and employee positions are reinstated, those employees who successfully bumped temporarily into another position will be recalled to their previously-held position when it has been reinstated. The employee shall hold no rights to the position they temporarily bumped into and will return to the position they previously held at the time lay-off notice was given, when that position is reinstated.

Recall procedures will follow article 16.03 of the collective agreement and remain optional until the employee is recalled to their incumbent position. If an employee chooses not to bump they forfeit their rights to bump at a later date.
