RE: CUPE BC President Candidate's Forum
Saturday, March 13, 2021 at 1 pm (PST)

We would like to invite all of our affiliated locals, and especially delegates to the CUPE BC Convention to an All Candidates Zoom meeting with candidates on Saturday, March 13th starting at 1 pm PST.

We will have questions from the NADC Executive, and will also open the floor to affiliated Locals. Candidates will have the opportunity for a three minute opening speech, two minute question replies, and a three minute closing speech.

The Executive Committee has prepared the following three questions, after which the floor will be open to members for a Q&A.

1. Would the candidate support having two RVPs on the Executive Board to represent the North?
2. How do you plan to connect with all regions of BC?
3. How will you make strides in both promoting & enhancing membership engagement in the North?

Please reply to the NADC Recording Secretary with the names and emails of your members and delegates who will attend on the form provided.

This is a fantastic opportunity for our locals to speak with the CUPE BC Executive Board candidates, and raise awareness for issues in the North!

In Solidarity,
Lori McKee
